12 MAJOR SCALES CHART

Name:	Date:

Instructions: Fill out chart below with the correct note names.

- 1. Write the beginning note (already done for you) and end note (the 8th note)
- 2. Write the musical alphabet in between the beginning and end note. Add the 9th (a same as 2nd)
- 3. Determine the key signature and mark the flats or sharps for the scale. Use the order of flats/sharps.
- 4. Say each note name for each scale out loud while fingering on your instrument.
- 5. Play each scale slowly and mechanically. Strive for zero hesitations. Memorize each scale!
- 6. Play each scale with a drone to improve intonation, range, and tone (ex: C-D-C, C-E-C, etc.). Perform ascending and descending.
