**Century Singers**

As a member of a Century High School extracurricular program, I pledge that I absolutely **will not** plan, support, or participate in any activity that violates the law, school district policy, Century High’s drug and alcohol policy and/or team rules while I am acting as a representative of Century High. Also, I promise to represent myself, my group, and this high school in the most respectful, responsible, and mature fashion.

I understand that as an extracurricular participant for Century High School I will periodically be excused from school but commit myself to attend all classes faithfully and to the best of my ability. **I fully understand that the consequence of any violation of this code of conduct on my part may result in physical conditioning, restriction of practice/participation time, or even expulsion from the group.** I commit to communicating with my teachers, parents/guardian about missing any school prior to the event, and will make up any missed work or tests according to each teacher’s makeup policy.

My signature below indicates that I have read, understood and agreed with all of the conditions noted above. The parent/guardian signature indicates that they have also read, understood and agreed to all of the conditions noted above.
